Thanks for reaching out, as I planned to do the same. Yes, the extension is good. We should hopefully be in a position to complete the depositions at that time. I know fall is a heavy wedding season, and our client will likely be heavily booked due to people moving their wedding dates, but I will get some good dates in August. Are you planning to still travel, or do you want to try to do these via video? Are you filing the extension?

Ken, How about extending another 60 days? My June and July are a mess. How do the weeks of August 3, 10 or 24 look for deps? Garfield
